

PINK JEEP TOURS EQUIPMENT...THE FACTS ON OUR FLEET

Meet The Tour Trekker

Luxurious yet rugged, The Tour Trekker is the first-of-its-kind, high-end, all-terrain vehicle, designed and licensed to be custom-built to be THE ultimate tour vehicle. The Tour Trekker seats 10 passengers comfortably, while preserving an personal “small group experience.” Each fully-loaded Tour Trekker offers guests a state-of-the-art designed interior that includes reclining leather captain seats, 15-inch DVD players, large tinted windows for unparalleled viewing, cross compartment A/C venting increasing passenger comfort and foam insulated walls for a quieter ride and superb climate control. The longer wheel base provides a smoother ride with dual rear wheel enhancing stability and safety.

The Current fleet of 6 Passenger Tour Vehicles

Fully equipped with all the comforts. Great off road capabilities for desert terrain. Although our current fleet of tour vehicles are made for 7 passenger capacity, we only seat 6 passengers per vehicle to ensure guest comfort.

Our Standard

Each vehicle is fully equipped with emergency kits. Pink Jeep guides are professionally trained and prepared for any situation. Each vehicle has VHF radio, satellite and cellular communication capabilities on board which broadcast amongst the fleet, keeping all staff members well informed on the progress of each tour at all times.

Our Commitment

Pink Jeep Tours – Las Vegas, Inc. holds off-road permits, issued by the Bureau of Land Management (BLM). Pink Jeep Tours proudly holds the certificate granted by the Nevada Transportation Authority (NTA) and complies with all state regulations, including periodic inspections of our vehicle maintenance and driver qualification files. We make no compromises when it comes to safety. In fact, our vehicle maintenance schedule surpasses both factory recommendations and the guidelines set by the NTA with all maintenance programs carefully monitored by dealership fleet programs and our fleet administrator.
